

Dear Mr Burton.
 Good Morning. I'm Max Premoli.
 How do you do?
 I have write a novel.
 I'd like to introduce you:
 LA MASCHERA DIPINTA
 [THE PAINTED MASK].

1

The story is placed in
 Extremadura, in the mysterious
 and magic old city called Cáceres.

Other locations:
 Madrid - Biarritz
 Saint Jean de Luz - Espelette

2

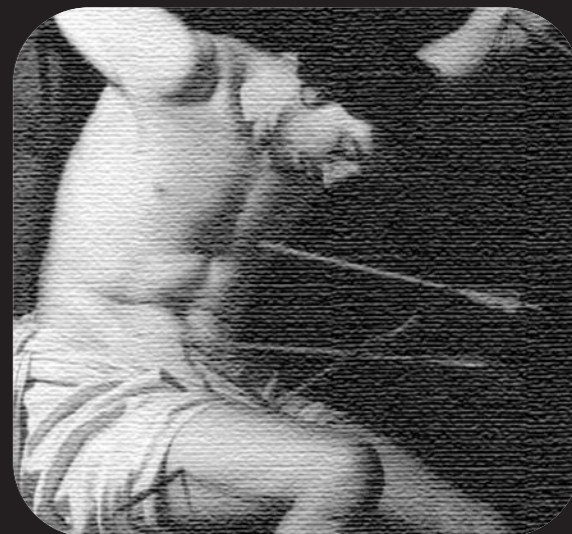

A shady woman dresses and
 makes herself up to kill.
 She is inspired by famous
 paintings, for example:
 San Giorgio e il drago
 [Saint George and the dragon].

3

The Laocoonte myth...
 And an odd murder with the
 sound of Mozart's "Dies Irae"
 in the air [please, listen the track
 on www.maxpremoli.it].

4

The Maschera Dipinta kills and
 leaves symbols and seven
 letters which form a code:
 there's a hidden word.

5

An inspector, l'alcalde,
 an art dealer and his wife
 will try to stop the serial killer.

6

Thirty chapters full of codes,
 enigmas, circus acrobats'
 spectacular shows and stock
 characters... disguises of the
 Maschera Dipinta.

7

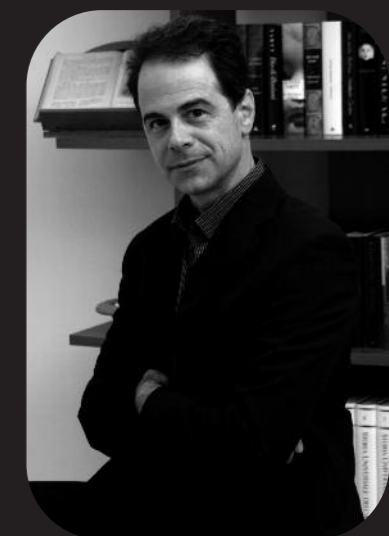

I'd like to send you my novel
 which is written in italian for
 now. Actually I'm looking for a
 translator.

8

It would be an honour
 if this novel could be the script
 of a Mr Burton's film.
 Maybe it's just an illusion, but
 I'm an incurable dreamer.

9

Finally,
 Mr Burton, if you became
 curious about it, I will send you
 my script in italian version.

Thank you very much for your
 reply.
